### Appreciative Enquiry- assumptions

1. In every society, organisation or group, something works
2. What we focus on becomes our reality
3. Reality is created in the moment and there are multiple realities

**A Good Life In Action**

**Uniting *Care* Community Options**

## Appreciative Enquiry cont'd

4. The act of asking questions of an organisation or group influences the group in some way
5. People have more confidence and comfort to journey to the future when they carry forward parts of the past

## A Good Life In Action Uniting *Care* Community Options

### Appreciative Enquiry cont'd

6. If we carry parts of the past forward, they should be what is best about the past
7. It is important to value differences
8. The language we use creates our reality
