Framing Case Management for the Future

Sponsorship & Trade Exhibit Opportunities

**13th Case Management Society of Australia (CMSA)
National Conference and Trade Exhibition
16th - 17th September 2010, Melbourne**

Case Management Society of Australia

The Case Management Society of Australia Ltd (CMSA) was established in 1997 as a network for people involved in Case Management as practitioners, managers, educators, program planners and policy makers. CMSA is a not for profit organisation, dedicated to the continuous support and development of the practice of quality Case Management. CMSA membership is Australia wide extending to New Zealand and other overseas countries.

The 13th CMSA conference titled "Evolving Practices framing Case Management for the Future has been inspired by past conference themes, discussions around the certification of case managers and the history of case management in Australia and overseas.

You are cordially invited to participate in the 13th CMSA conference by supporting the CMSA as a conference sponsor. Different levels of sponsorship are available as well as the opportunity for organizations to showcase their products and services via a trade exhibit booth.

Conference Attendance

It is anticipated that 300 delegates will attend the conference, to be held at the Sofitel on Collins in Melbourne CBD. Conference delegates come from a range of fields and organizations involved in case management practice
